

Legends of the Five Rings

Heroes of Rokugan

Spirit of Bushido

Your ancestor, _____, has been attacked by the ghost of Sakura, and is now a goryo. Every night, you are attacked in your sleep by the horrifying corruption that the shiryo has become. You do not recover Void or spell slots unless you succeed at a **Meditation/Willpower** roll, (tn 20) every morning.

This replaces the basic effect of the Haunted Disadvantage.
