The Nightingales

You have been honored by Kakita Yoshi as a favored artist of the Empire. In these troubled times, you are asked to use your art to bring moments of peace, remind people of tradition, and to share your art often. Each year, you should attend court at Kyuden Kakita to discuss your artistic progress, techniques, and news of the Empire with the Nightingales.

This honor provides you with the following benefits:

You are welcome at any court, and no daimyo will turn you away, regardless of the relations between your Clans.

You gain a bonus of +1k0 to an art of your choice.
